

WESTERN VALLEY
Faces of Business

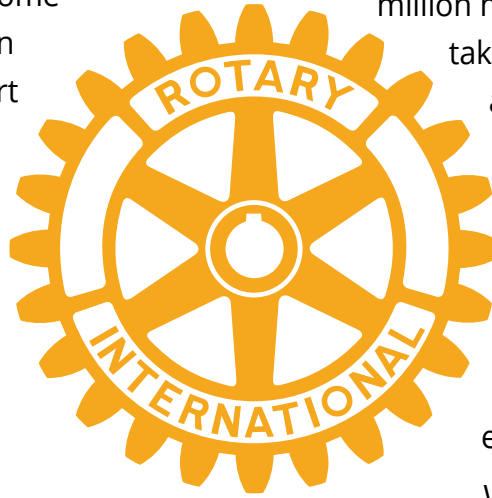

A project of the
Rotary Club of Florenceville
with collaboration from
the Rotary Clubs of Woodstock
and Perth-Andover

Welcome!

The Rotary Clubs of Florenceville, Perth-Andover and Woodstock welcome you to the second edition of Western Valley Faces of Business. The support local businesses provided by participating in this publication last year enabled the Rotary Clubs in the Western Valley to put \$80,000 back into community projects.

This project was inspired by a desire to promote our area as the beautiful place that it is to live, work, play and shop. It features local businesses that produce goods, provide supplies, services, entertainment, and employment. Local businesses and their employees are the backbone of our economy. Shop locally and let them know they are appreciated for all they do for our communities.

Rotary Clubs are in over 160 countries with 1.4 million members. On a global level, Rotary takes on projects such as improving access to clean water, providing shelter and necessities in areas that experience disasters, protecting the environment and, most notable, the eradication of polio. In local communities, the focus is on health, food security, youth, elderly and literacy.

We hope you enjoy seeing the faces that make business happen in the area. Keep this publication handy to use as a contact guide. You can also access the complete publication on-line at www.facesofbusiness.ca.

Carol Brennan and Tony Trafford
Co-Chairs, Western Valley Faces of Business

ROTARY CLUB OF FLORENCEVILLE – JUNE 2023

Woodstock Rotaract Club

The **Woodstock Rotaract Club** is a division of Rotary International, featuring volunteers 19+ who are committed to serving the community.

Members are provided an opportunity to enhance knowledge and skills that will assist them throughout all avenues of life.

The club received the Outstanding Community Service Award for 2022-2023.

Rotaract is always looking for new members and can be found on Facebook at <https://www.facebook.com/RotaractClubofWoodstock>.

Woodstock Rotaract participates in multiple community initiatives such as garbage clean up, serving meals at Harvest House, Pure Country's Tampon Tuesday, and the 'Be More Like Evan' act of kindness campaign.

Woodstock Rotaract has spearheaded multiple projects from hosting women's self defence courses, fundraisers for the Food Bank, and adding little libraries around the Woodstock area.

Construction of **The Rose Community Garden** on Broadway is the newest and largest project to date. Some garden plots are reserved for the Valley Food Bank – the food can be harvested and donated to needy families.

As a fundraising event, the **Rotaract Club** hosted our Third Annual Doggy Spa Day featuring on-site groomers and vendors. \$668.50 was raised for the Carleton County Animal Shelter!

Rotary Club of Perth-Andover

The **Rotary Club of Perth-Andover** is currently focusing on a project to revitalize a green space that was formerly school grounds, prior to the school being relocated several years ago.

The multiphase project will create an outdoor space that will be accessible to people of all ages promoting active living during all four seasons. During the warm weather months, the park will be a welcoming spot for families and friends to gather and enjoy a picnic. A large field will provide space for a pickup soccer scrimmage, playing Frisbee, or a friendly washer toss game. The proximity to the Sentier NB Trail will encourage biking and hiking. In the cold wintry months, the park will have an outdoor skating rink and use of the trail for cross country skiing and snowshoeing. Most importantly this park will promote wellness with an emphasis on enjoying nature.

Phase 1 of the project included clearing brush, leveling the ground and planting grass for the park. The focal point of the park, a log pavilion, has been built to provide a shady spot to relax on a sunny day and a shelter during an unexpected rain event. Tables will be available to enjoy a picnic and to play a game of cards or chess. This is a great meeting spot for families and friends. Finishing touches will include landscaping around the pavilion, which should be completed in 2023.

Phase 2 is currently on the drawing board and will include a washroom building and more interesting features for the park.

Photos by Marsha Lang

Rotary Club of Woodstock

<https://rotarywoodstocknb.com>

The **Woodstock Rotary Club** boasts 38 members who are committed to supporting community endeavors. The list below is only a small number of projects undertaken in the past year.

The club hosted the **3rd annual community Halloween event**, with over 1000 people participating.

The in-person **Dance & Cash Draw**, featuring three bands and craft beer sampling, had record ticket sales.

Woodstock Rotary BINGO continues to be a major fundraiser for the Western Valley Rotary Clubs. A Bingo Extravaganza was held in May to raise awareness for the URVHF MRI project. A total of \$18,000 was donated to the MRI project from this successful event.

The Woodstock Rotary Club in June presented the Upper River Valley Hospital Foundation with an additional \$250,000 to help in their \$3 million fundraising goal for a new MRI.

President Hilary Stockford and District Governor Dr. Harvey Bass join Rotarians Barb Kierstead and Scott Dunlop in presenting Dr. Gary Beatty his Paul Harris Award.

\$300,000 was raised for the Woodstock Valley Food Bank Capital Fundraising Project. Shelved Foods displayed here are ready to be boxed up for families in need. Additional storage is available in new warehouse and refrigeration units.

Thank you, Western Valley, for your continued support for all things Rotary.

Are you interested in joining the Woodstock Rotary Club? For more information, check our website <https://rotarywoodstocknb.com>

Who We Are

It all began in 1991 in Woodstock, New Brunswick with a single Subway. Since then, Franchise Management Inc. (FMI) has grown their total franchise number to 340+ locations and has become one of the largest Pizza Hut, KFC and Taco Bell franchise operators in North America!

FMI is proud to have Carleton County roots and to run the organization from their Business Support Center in Woodstock.

We believe our greatest strength is our people!

We actively seek both local talent and candidates looking for work in North America. We pride ourselves in attracting and developing our talented team members and leaders – we're successful when our employees grow as we grow.

The Four Way Test
is a nonpartisan and nonsectarian
ethical guide for Rotarians
to use for their personal and
professional relationships.

Rotary

THE FOUR-WAY TEST ASKS
OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE **TRUTH**?
2. IS IT **FAIR** TO ALL CONCERNED?
3. WILL IT BUILD **GOOD WILL** AND **BETTER FRIENDSHIPS**?
4. WILL IT BE **BENEFICIAL** TO ALL CONCERNED?

*Thank you to the businesses
who are supporting
community service by purchasing

Rotary Club of Florenceville

<https://florencevillerotaryclub.com>

The **Rotary Club of Florenceville** was incorporated over 75 years ago and currently has 29 members. Many local and global projects focus on youth with the purpose of developing the next generation of leaders by helping young people build leadership skills, expand education and learn the value of service. A few of the sponsored programs are highlighted below.

Rotary Youth Exchange builds peace one young person at a time. Students learn a new language, discover another culture, and truly become global citizens. Exchanges for students ages 15-19 are sponsored by Rotary clubs in more than 100 countries.

Rotary Youth Leadership Awards (RYLA) is an intensive leadership experience for participants ages 14-30 to develop skills as a leader while having fun and making connections. RYLA may take the form of a one-day seminar, a three-day retreat, or a weeklong camp. The event includes presentations, activities, and workshops.

▲ From left: Tilda Befve, Youth Exchange Student – France; Claire Hutt, Youth Exchange Student - Florenceville.

◀ From left: Rotary Youth Leadership Award: Abby Hunter (participant), Edgar Allan (RYLA Facilitator), Izzy Appleby (participant) Dr. Harvey Bass (District Governor).

Successful applicants Seth Hutt and Vanessa Goodwin made a presentation to the Florenceville Rotary Club.

The **Rotary Adventure in Citizenship Program** brings students aged 16-18 from ACROSS THE COUNTRY to the Nation’s Capital to explore the workings of our democracy, experience the diversity of Canada, meet and make friends with over 200 others, and understand what it truly means to be a Canadian citizen.
