SOLAR ECLIPSE 2024

Did you see that?

How incredible that you were alive to see a total Solar Eclipse! Did you know that they are rare enough that a given spot on earth is only likely to see one every 375 years?

We extend our heartfelt thanks to all the volunteers who dedicated their time and effort to making the solar eclipse event a success! Your contributions helped create an unforgettable experience for our community, and we are immensely grateful for your hard work and dedication.

Our recent event was a remarkable evening showcasing a captivating presentation on the mesmerizing phenomenon of a complete solar eclipse and an insightful talk by Colonel Chris Hadfield. Attendees were treated to an enlightening experience, gaining valuable perspectives from a renowned astronaut, and delving into the wonders of the universe. It was a memorable and inspiring gathering that left a lasting impact on all who attended.

We were thrilled to have James Mullinger kick off our solar eclipse event with his hilarious and engaging performance. As a renowned comedian, James brought laughter and light to the occasion, setting a wonderful tone for the evening. His unique blend of humor and insight made the event truly memorable for everyone who attended. We look forward to more fantastic collaborations in the future!
