Community Connection

SUMMER 2026

HELLO SUMMER!

Summer is a time to celebrate community, and this year has already been one of growth, progress, and new beginnings across the District of Carleton North. Following the recent municipal election, we welcome our newly elected Council and look forward to the leadership and collaboration that will help shape the future of our district. Behind the scenes, our Beautification, Maintenance, and Public Works Teams have been hard at work enhancing parks and green spaces, maintaining municipal facilities and infrastructure, and completing projects that help keep our communities safe, welcoming, and enjoyable for residents and visitors.

In this edition, you'll find highlights from around the district, updates on municipal services and projects, and a look at the exciting events and activities still to come. Whether you're spending time with family, participating in local events, or discovering something new in our communities, we hope this edition keeps you informed, inspired, and connected to all that's happening across the District of Carleton North.

PLANNING COMMUNITY EVENTS

Organizing successful events requires months of planning, coordination, and collaboration. Behind every event is a great deal of work, from developing ideas and securing funding or sponsorships to coordinating vendors, entertainers, volunteers, permits, equipment, and marketing. Staff work closely with community organizations, businesses, emergency services, municipal departments and volunteers to ensure events are safe, welcoming, and enjoyable for everyone. Careful attention is also given to logistics such as site preparation, traffic management, accessibility, scheduling, and cleanup. While the community experiences the finished event, countless hours of preparation, problem-solving, and teamwork take place behind the scenes to create memorable experiences that bring people together and promote our District.

TOURISM SPRING HIGHLIGHTS

HOP INTO SPRING - COMMUNITY EASTER CELEBRATION

The Tourism Department hosted a Community Easter Celebration featuring a Bunny Brunch and Easter Egg Hunt. Families came together to enjoy a morning of fun, including photos with the Easter Bunny, an Easter egg hunt, and a variety of games, bringing the community together to celebrate Easter and welcome the arrival of the spring season.

TOURISM SPRING HIGHLIGHTS

BOXING SHOWDOWN

The Tourism Department proudly hosted its first-ever Professional & Amateur Boxing Event on May 2, delivering an exciting and action packed evening for the community. From the official weigh-ins to the final bout of the night, the event generated tremendous enthusiasm and showcased the incredible talent of both local professional and amateur fighters from across the Western Valley. The event received overwhelmingly positive feedback and marked a memorable night for sports entertainment in our region.

TOURISM HIGHLIGHTS

CANADA DAY

Canada Day 2026 was a wonderful celebration, with beautiful sunshine setting the stage for a full day of festivities across the community. The day began with the Kin Club Breakfast before residents and visitors lined the streets for the annual Canada Day Parade and new this year Children's Parade. Opening ceremonies, including the singing of O Canada and the ceremonial cake cutting, officially kicked off an afternoon filled with family fun.

Throughout the afternoon, families enjoyed inflatables, lawn games, mini putt, face painting, foam party, the outdoor market, a petting farm with Ferron Family Farms, delicious food from the Kin Club canteen, and live music from Deane Antworth & Mark Palmer. The celebrations continued into the evening with free performances by Arnold Stockford & Friends at the Centreville Gazebo and The Monquartet at Second Wind Music Centre, a free public glow swim at all three pools, and a spectacular fireworks display that capped off a fantastic day. Thank you to our volunteers, community partners, entertainers, sponsors, and everyone who joined us in celebrating and helping make the day memorable.

TOURISM HIGHLIGHTS

FRENCH FRY FESTIVAL

Our first French Fry Festival brought a week of family fun and community celebration to the District! Throughout the week, residents and visitors enjoyed a variety of activities, from the Foam Party, Stunt Ventriloquist performances, candle making workshop, live music, Silent Disco, Touch a Truck, and the first Outdoor Summer Market of the season. The week wrapped up with the French Fry Festival Family Fun Day at the Northern Carleton Civic Centre, where families enjoyed free fries, inflatables, laser tag, face painting, Science East, and a variety of potato-themed activities. The celebration continued nearby at Potato World with live music featuring John & Jean Maunder. Thank you to everyone who came out and celebrated French Fry Festival 2026 with us!

TOURISM HIGHLIGHTS

BREWS ON THE BOARDWALK

Rain didn't dampen the spirits at this year's Brews on the Boardwalk! Guests gathered on Main Street in Florenceville-Bristol to sample offerings from eight New Brunswick breweries and distilleries, enjoy delicious food from three local vendors, and take in a fantastic live performance by Amber Walls. Thank you to everyone who braved the weather and helped make it another great community event!

VENDORS

Picaroons, Off Grid Ales, Moosehead Breweries, Downriver Beverage Co., Big Axe Brewery, Yip Cider, Unit XIII, 13 Barrels Brewing, Off the Rails, Steve's Sausages, The Canopy.

Charlotte McIsaac - Real Estate Professional, Exit Realty Platinum kept everyone hydrated with free water throughout the evening, and Old Dutch Foods supplied the crunch with complimentary chips!

FRIDAY NIGHTS

RECREATION HIGHLIGHTS

On June 13th, in collaboration with KidSport NB, District of Carleton North Recreation hosted KidSport Day at the R.G. "Bun" Veysey

Active Living Centre for children and youth ages 5 to 16. The free event gave participants the opportunity to try a variety of sports available in our community while enjoying a fun and active day. Registration was free, and all participants received lunch, snacks, a complimentary event t-shirt, and prizes.

YOUNG PARLIAMENT EVENT

At the end of April, we partnered with Dan McCarthy, Principal of Florenceville Elementary School, to host a Young Parliament event. This educational program gave students from our local elementary schools the opportunity to learn about the democratic process and how elections work. Throughout the day, students attended engaging presentations about the voting process and participated in their own mock election, allowing them to experience voting firsthand. The event brought together students from across our local elementary schools, who also enjoyed a Pizza Delight lunch. It was a fun, interactive day that helped inspire civic engagement while providing a memorable learning experience.

RECREATION HIGHLIGHTS

ACTIVE BOYS/ACTIVE GIRLS

In May, we hosted Active Boys/Active Girls for our local middle schools. This annual event gives students the opportunity to spend the day at our facility trying a variety of fitness activities designed to encourage an active lifestyle. Participants rotated through four instructor-led activities, including a fitness class, gymnastics, pickleball, and either field hockey (Active Boys) or self-defence (Active Girls). Students also enjoyed a Subway lunch before continuing their day of fun, fitness, and learning new skills.

RECREATION HIGHLIGHTS

WESTERN VALLEY ACHIEVEMENT GAMES

In May, we hosted the Western Valley Achievement Games, a one-day event that brings together individuals with disabilities from across the Western Valley Region for a day of recreation,

connection, and fun. Participants

enjoyed a variety of activities, including outdoor games such as bocce ball, four-square volleyball, and softball throw, as well as indoor activities including axe throwing, ring toss, cornhole, disc golf, curling, Jenga, and Connect Four.

Following the games, participants gathered for a catered lunch, an awards ceremony recognizing everyone's achievements, and a dance to celebrate the day. It was a wonderful event filled with laughter, friendship, and community spirit, and everyone had a fantastic time.

SPORTS

Our summer soccer (U4, U6, U8, U10, and U12) and summer baseball (7U, 9U, 11U, and 13U) seasons are in full swing! These recreational youth programs focus on skill development, teamwork, and fun in a positive environment. Every participant receives a team jersey, and players in the U8/9U divisions and older have the opportunity to compete against teams from across the Western Valley Region.

EVENTS HOSTED AT THE NORTHERN CARLETON CIVIC CENTRE (NCCC)

The annual Spring Show & Sale was held at the NCCC. This event brings together local cattle producers and prospective buyers from across the region, providing an opportunity to showcase quality livestock before they are purchased for beef production. The Spring Show & Sale supports the local agricultural industry and highlights the important role agriculture continues to play in our region and economy.

SUMMER RECREATION

POOLS / SWIMMING / SPLASH PADS

Our outdoor pools opened during the last week of June, welcoming residents and visitors for another summer season of fun in the water. Throughout the season, we offer swimming lessons for children and youth, providing opportunities to develop water safety skills and build confidence in the pool. In addition to lessons, regular public swims give families and individuals a chance to cool off, stay active, and enjoy time together. To help make swimming more accessible, public swims on Mondays and Thursdays are offered free of charge thanks to the generous support of the Florenceville Rotary Club and the Bath Lions Club. Their sponsorship helps ensure everyone in our community has the opportunity to enjoy the pools throughout the summer.

Did you know you can rent our pools for private events?

Whether it is a birthday party, team celebration, or just a fun summer get-together, our pools are available for private rentals! To check availability and book, please contact the pool location you'd like to rent directly.

MAINTENANCE

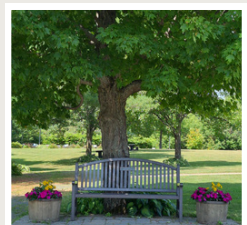

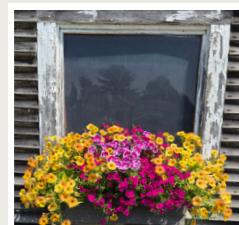

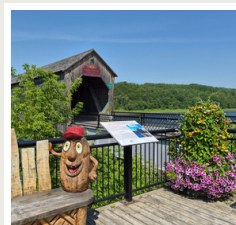

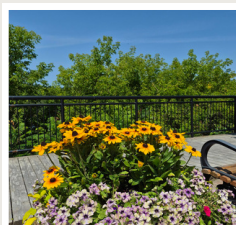

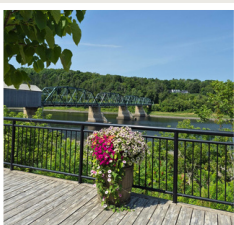

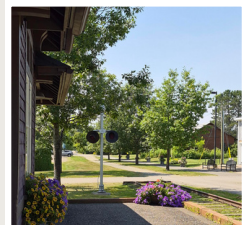

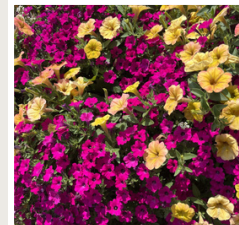

Our Maintenance Team works year-round to ensure municipal buildings, parks, recreation facilities, and public spaces remain safe, clean, and in good working order. Their responsibilities range from routine inspections and repairs to preventative maintenance and responding quickly to unexpected issues. Whether preparing facilities for community events, completing upgrades, or addressing everyday maintenance needs, their work helps keep municipal services operating efficiently. We appreciate the dedication and hard work of our Maintenance Team as they continue to care for the facilities and spaces that serve our communities every day.

FLOWERS AROUND THE DISTRICT

There is something special about watching the colours come to life as plants grow, bloom, and thrive throughout the summer season. From the first signs of growth to vibrant displays at their peak, the Beautification Team's hard work helps create picturesque and welcoming spaces for residents and visitors to enjoy. Working in the summer heat each day, the team waters, fertilizes, weeds, trims, and deadheads flower beds, hanging baskets, and planters to keep them healthy, vibrant, and looking their best all season long. The District looks amazing thanks to their attention to detail and dedication.

PUBLIC WORKS

WATER AND SEWER

Our Public Works Department continues to maintain and monitor our water and sewer systems to provide reliable services for residents. Through regular maintenance and ongoing monitoring, the team works to ensure these essential services operate efficiently and effectively. Their continued efforts help protect our infrastructure while supporting the health, safety, and quality of life of residents throughout our communities.

ROADS AND STREETS

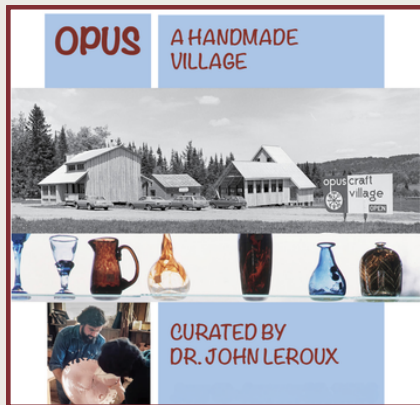

Maintaining safe and accessible roads is a priority throughout the year. Seasonal maintenance, including repairs, grading, and general upkeep, helps ensure our roadways remain in good condition for residents, businesses, and visitors. Thank you to our dedicated crews who work diligently to maintain the roads that keep our communities connected.
