FALL 2026

Summer Highlights to Fall Fun

As the leaves begin to fall and the air grows crisp, autumn brings a season of harvest, gratitude, and community spirit across the District of Carleton North.

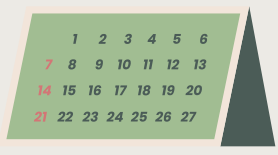

From the final events of summer to the first festive touches of the holiday season, our departments have been busy keeping our communities safe, connected, and thriving.

In this edition, you'll find highlights from summer events, updates on municipal projects and services, and a look ahead at the activities and celebrations still to come. Whether you're attending a local event, catching up on district news, or preparing for the winter months ahead, we hope this edition keeps you informed and connected to all that's happening throughout our district.

Thank you to our staff, volunteers, sponsors, and residents for helping make summer another memorable one!

TOWN OFFICE

Municipality Week 2026

Municipality Week is a time to celebrate our communities, recognize the people who help keep them thriving, and highlight the important work that goes into running a municipality. This year's theme, "Let's Shape DCN Together," reflected the importance of teamwork, collaboration and community involvement in building a strong and vibrant District.

We kicked off the week with our DCN Spirit Photo Challenge, inviting everyone to get creative, showcase what makes our District special and incorporate the letters "DCN" into their photos.

One of the highlights of the week was bringing District of Carleton North staff, Mayor and Council, representatives from our six Fire Departments and MLA Margaret Johnson together to create a special aerial photo spelling out the letters "DCN."

Our DCN Spirit Photo symbolizes how we come together, each playing a unique role in making the District of Carleton North a wonderful place to live, work and call home. A special thank you to our very own Tristan Sipprell for capturing this incredible drone photo and helping bring our DCN spirit to life!

To close out the week's celebrations, we hosted a Community Hot Dog BBQ with Corn on the Cob at the Town Office. It was a great opportunity to bring residents, volunteers, community organizations, local leaders and Team DCN together to enjoy some good food and conversation.

A special "Thank You" to the CO-OP for sponsoring our BBQ, and to MLA Margaret Johnson for providing the corn on the cob and butter! Thank you to everyone who participated, contributed and helped make Municipality Week 2026 a success. Together, we make the District of Carleton North a stronger, more connected community!

TOWN OFFICE

Celebrating Our Summer Students!

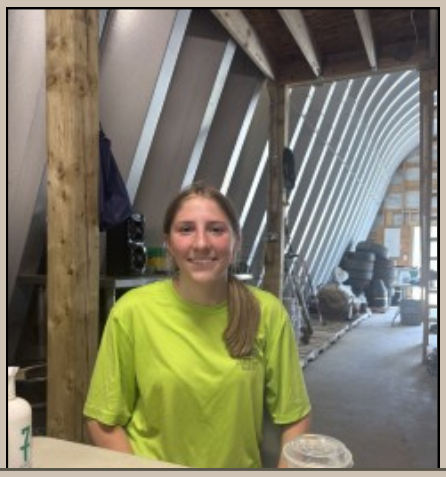

Our summer students play an important role in supporting each department in the District of Carleton North. From assisting with daily operations to contributing to projects throughout the community, their efforts help make a difference across the District. We appreciate the energy, enthusiasm, and commitment they brought to their positions, and we're grateful for everything they accomplished during their time with us. We're pleased to share a few photos submitted by our departments, showcasing our summer students. Thank you to all our summer students for being part of Team DCN!

SUMMER TOURISM HIGHLIGHTS

Outdoor Summer Market

It was a great summer for the Outdoor Summer Market. This year, we welcomed over 20 vendors each week and enjoyed the sounds of local musical talent throughout the season. Thank you to all of our wonderful vendors and to everyone who came out to support the market!

Last Splash of Summer

This year's Last Splash of Summer expanded to all three pools across the District, with each location bringing its own unique theme to celebrate the end of summer. We kicked things off in Bath with a Beach Bash Party, headed to Florenceville-Bristol for Summerween, and wrapped up in Centreville with an Under the Sea celebration.

A huge thank you to Rotary for helping make the celebrations even sweeter with ice cream sandwiches, and to the Kin Club for providing delicious hot dogs and snacks for everyone to enjoy. Thank you as well to everyone who came out and helped us celebrate the end of summer!

TOURISM HIGHLIGHTS

Drive-In Movies

The Drive-In Movie Nights at the Bath Fairgrounds brought families and friends together for evenings of outdoor movie fun. With four Friday night screenings, attendees enjoyed watching movies under the stars while supporting four great causes through donations. Thank you to everyone who came out and helped make this year's Drive-In Movie Nights a success!

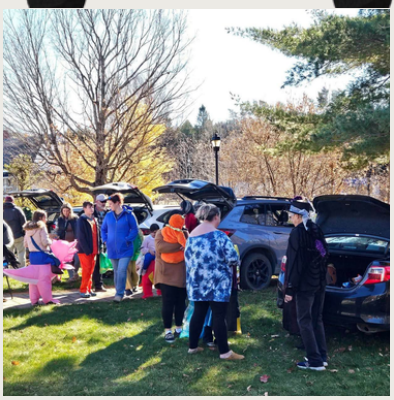

Kids Zone

Kids Zone brought plenty of outdoor fun to communities across the District this summer! Children ages 5–12 had the chance to get outside, play games, and enjoy a variety of activities in Centreville, Bath, Florenceville-Bristol, Juniper, Glassville, and Upper Kent. We had a great time at each stop and want to thank everyone who came out to play!

FALL TOURISM HIGHLIGHTS

It was a spooktacular afternoon at Trunk or Treat! Thank you to everyone who came out in costume and celebrated with us! We had a great time seeing all the creative costumes!

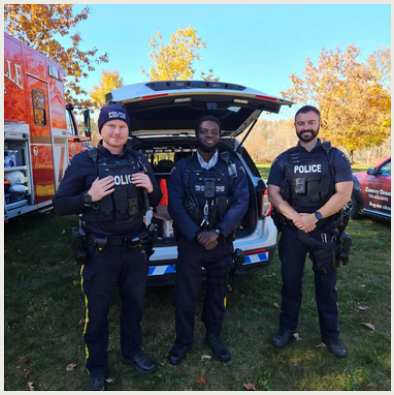

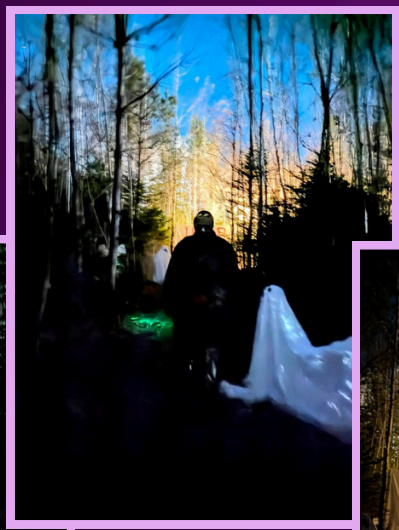

A big thank you to all the businesses and groups who came out, decorated their trunks, and helped make the afternoon so much fun! Florenceville Rotary, Bath Lions Club, Carleton Co-op Grocery, Conroy Drost, Glassville Fire Department, Bath Regional Fire Dept, Florenceville-Bristol Fire Department, Centreville Fire Rescue, Royal Canadian Mounted Police in New Brunswick. Thank you as well to Salty Peanut Store - Bristol and McCain PPTC for their donations.

FALL TOURISM HIGHLIGHTS

HAUNTED TRAIL

A scary time was had by all at this year's Haunted Trail! From spooky surprises to plenty of screams, it was a frightfully fun night at Shogomoc Trail. We loved seeing so many brave souls make their way through the trail and enjoy a night of Halloween fun. Over 750 residents attended the event. Thank you to everyone who came out and braved the trail, and a huge thank you to all of our volunteers who helped bring the scares to life and make the night possible!

RECREATION

Upcoming Holiday Events

The second annual **"Sparkle of Christmas Silent Auction"** is a festive community event supporting local School Initiative Programs. Local schools will decorate a Christmas tree with their own creative touch and decorations; trees then will be auctioned off.

Silent Auction: November 28–December 2 (closing at noon) Residents can visit the Community Room at the R.G. "Bun" Active Living Centre to submit a bid or online bidding will be available (keep watching for more details).

Santa Skate: Join us at the Northern Carleton Civic Centre for a FREE Santa Skate on **December 13, 2026, from 2:15PM – 3:15PM.** Skate alongside Santa and enjoy a free cookie/hot chocolate.

2026 SPORTS WALL OF RECOGNITION

The Carleton North area has a proud and storied history of excellence in sports and recreation, built by extraordinary people and teams who have shaped our community.

The Sports Wall of Recognition is more than a display – it is a celebration of our rich sporting legacy, acknowledging the commitment, talent, leadership, and community spirit that continues to inspire future generations.

The Carleton North Sports Wall of Recognition located at the R. G. “Bun” Veysey Active Living Centre honors achievements of individuals and teams who bring special distinction to Carleton North in any field of sport and those who make a major contribution to the development and advancement of sport & recreation in Carleton North.

This recognition celebrates:

- Athletes and Teams whose achievements brought pride and distinction to our region
- Builders of Sport – including owners, managers, coaches, officials, and volunteers – whose dedication helped grow and advance sport and recreation in our community.

2026 INDUCTEES

CHERYL CRAIN
Builder

Cheryl has over 40 years of dedication to swimming, aquatic safety, athlete development, and community service.

SIDNEY G. VEYSEY
Athlete

Sid’s hockey career took him from rinks in Carleton County to playing in the NHL.

TOM TOMPKINS
Athlete

Tom Tompkins enjoyed a six-decade athletic career in hockey and baseball.

AGE-FRIENDLY SURVEY

WHAT IS AN AGE-FRIENDLY COMMUNITY?

"The New Brunswick Age-Friendly Community Recognition Program celebrates communities that are taking sustainable actions towards becoming age friendly".

-NB Age Friendly Community Recognition Program Toolkit

Your Voice Matters

Calling all District of Carleton North residents 55 and over - we want to hear from you!

The community assessment survey is a way for you to weigh in on how the District of Carleton North can support the quality of life of residents as they age.

The Age-Friendly Committee, in partnership with Nursing Home Without Walls River View Manor, has created a Community Assessment Survey that addresses questions regarding:

● **Housing** ● **Access to Essential Services** ● **Transportation** ● **Activity Programming**

The community survey will help the committee better understand the unique needs and challenges of seniors in the District of Carleton North.

AGE-FRIENDLY SURVEY LINK

The District of Carleton North Age-Friendly Community Advisory Committee's purpose is to set up policies, services, and structures to support healthy aging and wellbeing in our community.

CHRISTMAS TREE RECYCLING

360L WASTE RECEPTACLE

Delivery Update

There has been a regional delay in the delivery of the new 360L waste receptacles.

At this time, we do not have an updated delivery schedule or expected delivery dates to share. In the meantime, please continue putting your garbage out as usual for regular collection until you receive your new waste receptacle.

We will keep you informed and share additional information as soon as it becomes available.

COMMUNITY INFORMATION

For more information visit gnb.ca: Radon

RADON TESTING

Free radon tests are now available at public libraries across New Brunswick. Radon is a naturally occurring radioactive gas that is formed when uranium breaks down in rock, soil and water. Uranium is commonly found in New Brunswick soil. Radon is not detectable by sight, smell or taste. The only way to detect radon in your home is to test for it.

Radon in outdoor spaces is not a health risk as it disperses into the atmosphere. It does however pose a risk in enclosed areas as high levels can accumulate. Health effects are a real concern with long-term radon exposure.

The best way to test for radon in your home is by placing a long-term radon detector in your home for a minimum of 91 days. Test accuracy is increased when testing occurs during the fall or winter when windows and doors are usually kept closed.

How to test for Radon:

- Pick up a radon test kit at the Andrew & LauraMcCain Public Library
- Place the kit in your home and leave it undisturbed for at least 91 days.
- Return it to the library to be sent for analysis.
- Get your results in 4 to 6 weeks

COMMUNITY INFORMATION

Be Winter Ready

Winter in New Brunswick can bring unpredictable weather, freezing temperatures, snow, and icy conditions. As we head into another winter season, now is a great time to prepare our homes, vehicles, and families for the months ahead. A little preparation can go a long way in keeping everyone safe, comfortable, and ready for whatever winter brings.

Winter Driving – Be Prepared, Be Safe

- Install winter tires and check tire tread and pressure regularly.
- Keep your gas tank at least half full.
- Check windshield wipers and top up windshield washer fluid.
- Ensure all vehicle lights are working properly.
- Check antifreeze, oil, and other fluid levels.
- Clear all snow and ice from your vehicle, including windows, mirrors, headlights, taillights, and roof.
- Keep a safe following distance and allow extra room for stopping.
- Reduce your speed to match road and weather conditions.
- Watch out for black ice, particularly on bridges, overpasses, and shaded areas.
- Avoid sudden braking, accelerating, or turning.
- Avoid using cruise control on snow or ice-covered roads.
- If visibility becomes poor, slow down and pull over safely if necessary.
- Keep a winter emergency kit in your vehicle.

Prepare Your Home

- Have your heating system inspected and ensure it is working properly.
- Check weatherstripping around doors and windows to help keep the cold air out.
- Clean chimneys, fireplaces, and heating vents.
- Keep walkways, driveways, and entrances clear of snow and ice.
- Stock up on essential supplies, including batteries, flashlights, blankets, and non-perishable food.
- Make sure smoke and carbon monoxide detectors are working properly.

Be Prepared for Winter Storms

Winter storms can sometimes result in power outages, hazardous road conditions, and temporary disruptions to regular services. Keep an emergency supply kit on hand with drinking water, food, medications, a battery-powered or hand-crank radio, and other necessities. Stay informed by monitoring local weather forecasts and following updates from the District of Carleton North and emergency services.

Look Out for One Another

Winter can be particularly challenging for seniors, individuals living alone, and those with mobility challenges. Take a moment to check in on family members, neighbours, and friends. A helping hand with snow removal, a quick phone call, or simply making sure someone is safe can make a big difference.

REMEMBRANCE DAY

Honouring Those Who Served

Each year on November 11, we pause to remember and honour the brave men and women who have served and continue to serve our country in times of war, conflict and peace. Remembrance Day is an opportunity to reflect on the sacrifices made by our veterans, the courage of those who served, and the contributions of the men and women in uniform who continue to protect our freedoms and way of life. We also remember those who never returned home and recognize the families and loved ones who shared in their sacrifices.

As we gather for Remembrance Day ceremonies throughout the District of Carleton North, we encourage everyone to take a moment to reflect, remember and pay tribute to those who have served. By wearing a poppy and attending a local ceremony, we help ensure their service and sacrifice are never forgotten.

Lest We Forget.

Remembrance Day Ceremonies

- **November 8** — Stickney Rec Centre, 11:30AM
- **November 8** — Argyle Church Service, 2:00 PM - 3:00 PM
- **November 11** — 10:30 AM - Royal Canadian Legion, Florenceville - Branch 37
- **November 11** — 10:45 AM - Royal Canadian Legion, Centreville - Branch 84, Western Valley Multi-plex

Honour Our Veterans Banner

The District of Carleton North is proud to offer a Veterans Banner Program to recognize and honour the brave men and women who have served our country.

Individuals wishing to have a banner made in honour of a veteran and displayed in Florenceville-Bristol must complete and submit an application, along with a photograph and military service information. A fee applies to the production of each banner.

Banner orders are placed once annually. For more information, please contact Sharon Johnston at (506) 392-6763, ext. 209, or by email at sharon.johnston@carletonnorth.com.

For information regarding Veterans Banners in Bath, please contact the Bath Lions Club at bathlionsclub163@gmail.com.

For information regarding the Veterans Banner Project at Victory Park in Centreville, please contact the Royal Canadian Legion Branch 84, Centreville at (506) 278-3451.

FIRE DEPARTMENTS

District of Carleton North Fire Departments are always accepting applications to join. Applications are available online and at the Town Office.

District of Carleton North is proudly served by six dedicated Fire Departments, each committed to ensuring the safety and well-being of our communities. These departments operate as team, providing fire suppression, rescue operations, and emergency medical response while also working together through mutual aid systems to ensure support when needed. Each department plays a crucial role in maintaining the safety and security of the District of Carleton North.

BECOME A VOLUNTEER FIREFIGHTER

The District of Carleton North Fire Departments are always looking for dedicated individuals to join their teams. Becoming a volunteer firefighter is a rewarding way to serve your community, but it also requires commitment, strength, and resilience. If you are interested in making a difference and being part of a highly trained team, contact your local Fire Chief or the Public Safety Manager for more information on how to apply.

DCN VOLUNTEER FIREFIGHTER'S APPLICATION FORM

Public Safety Manager at 506-392-6763 ext. 212 or via email at tristan.sipprell@carletonnorth.com

Visit our website for information about our Fire Departments:
District of Carleton North Fire Departments

ADMINISTRATION

In February, Carleton North Community Foundation (CNCF) awarded $10,000 to the District of Carleton North in support of the Northern Carleton Civic Centre (NCCC) Recreation Enhancement project. The funds awarded were used to help purchase a new scoreboard for the Northern Carleton Civic Centre. The scoreboard is just one piece in a larger enhancement project that aims to modernize and improve the arena.

The District of Carleton North is grateful to CNCF for its generous contribution to the NCCC Recreation Enhancement Project. Community partnerships like this play an important role in helping the District invest in facilities that benefit residents and visitors for years to come.

Age-Friendly Community Recognition Program

District of Carleton is on the map - we are currently in the process of conducting an age-friendly survey

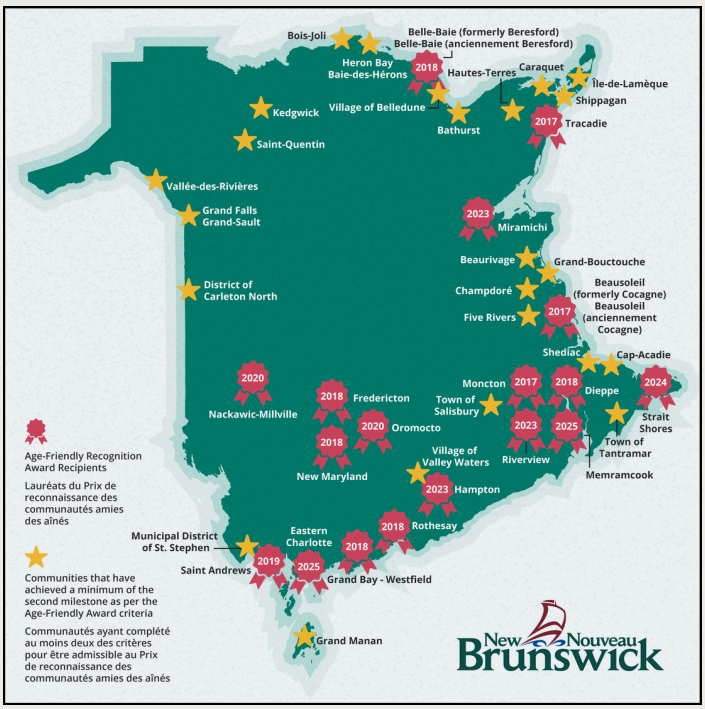

The New Brunswick Age-Friendly Community Recognition Program is a way of encouraging communities and municipalities across the province to create policies, services and structures that promote healthy aging and wellness.

The program recognizes those municipalities and communities that have completed the first four steps based on the World Health Organization's framework to become Age-Friendly:

- secure official commitment to the age-friendly community approach with a resolution from the municipal council
- establish an Age-Friendly Steering Committee
- conduct an age-friendly community assessment
- establish a comprehensive action plan

Once the above four steps are complete, a community may apply to be recognized as being age friendly.

Learn more here: Age-Friendly Communities

Community Park & Playground Project

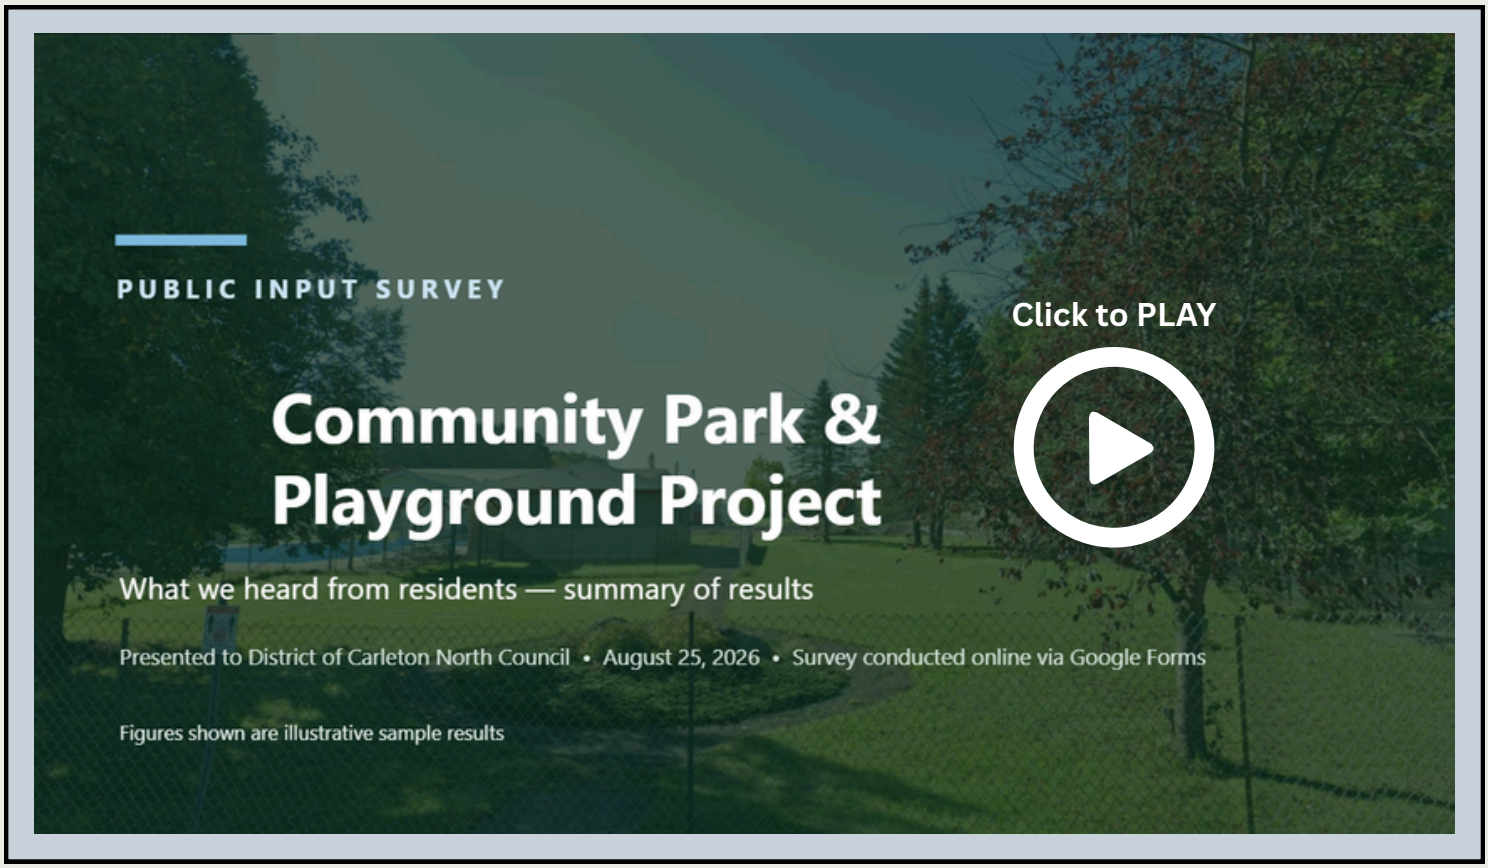

Thank you to everyone who participated in our Community Park & Playground survey! We received 246 responses between June 24 and July 31, 2026, providing valuable feedback on the proposed park planned for the municipal lot adjacent to the R.G. “Bun” Veysey Active Living Centre.

The results highlighted strong community interest in play equipment, comfortable seating, landscaping, accessibility, safety and a natural, rustic design. Respondents also identified additional features such as accessible pathways, water refill stations, washroom access and open green space. Most respondents indicated that the park would primarily serve children under 12, with many families anticipating weekly visits.

The feedback will help guide the concept design and future budget planning as the project moves into its next phase. We’ll continue to share updates as the project progresses.

Thank you to everyone who shared their ideas and helped shape the vision for this future community space!

TOWN HALL NOTICES

Administration of the Oath: Student Councillors

The District of Carleton North is pleased to welcome two new Student Councillors for the 2026–2027 term! Kian Blaney and Kaitlyn Wolverton were officially sworn in at the November 3rd Council Meeting.

The Student Councillor Program provides youth with an opportunity to become involved in local government while helping to:

- Bring a student perspective to municipal discussions and decisions.
- Develop leadership skills through meaningful, hands-on learning experiences in local government.
- Build an understanding and appreciation of the democratic process.
- Encourage responsible citizenship and greater youth involvement in the community.

Welcome to Council Kian & Kaitlyn !

BY-LAWS

At this time the proposed Off-Road Vehicle By-Law has been sent to the Department of Justice and Public Safety for approval before it may be brought back to Council for a 3rd reading.

- 2ND DRAFT OF PROPOSED OFF-ROAD VEHICLE BY-LAW

The District of Carleton North enacted the following By-Laws:

- WASTE COLLECTION AND DISPOSAL BY-LAW
- SANITARY SEWER BY-LAW
- WATER SYSTEM AND RATES BY-LAW
- WATER AND WASTEWATER BY-LAW
- NOISE BY-LAW

POLICIES

The District of Carleton North adopted the Asset Management Policy No. F-02. This policy guides the coordinated and sustainable management of municipal infrastructure assets. The Policy supports reliable and affordable service delivery, informed investment decisions, responsible financial planning, risk management, and the long-term sustainability of municipal infrastructure.

- ASSET MANAGEMENT POLICY

CLIMATE CHANGE ADAPTATION PLAN

The District of Carleton North developed a Climate Change Adaption Plan (CCAP) to help guide community decisions, activities, and infrastructure to reduce potential harm from actual or expected climate conditions in the future.
